julia
Users Group

Date/Time:
Thursday, Feb. 8
7:00 PM – 10:00 PM

Location:
Room 1201
Natural Sciences II

Come discuss how you're using Julia!

Scheduled Talks

"Using Julia to Develop New Methods for
Non-Equilibrium Statistical Mechanics"
Katharine Hyatt (UCSB)

"How Multi-precision Leads to More Efficient
and More Robust PDE Solvers"
Chris Rackauckas (UCI)

"An introduction to using Julia for studying
quantum many-body systems with tensor networks"
Matt Fishman (CalTech)

Keep up-to-date & let us know you're coming at
